

BECAUSE SAFETY MATTERS

# FIVE TO STAY ALIVE

SWANA wants you to go home to your family every day, safely. Never use your cell phone or text while operating machinery or moving around composting operations.

Following these rules will keep you safe!

For more [#SWANAsafety](https://www.swana.org/safety) info and resources visit [SWANA.org/safety](https://www.swana.org/safety)

## Safety Tips for Composting Operations

Wear appropriate PPE and respiratory protection. Do not begin a task without proper training and PPE

Maintain situational awareness. Be vigilant of mobile equipment and changing site conditions

Stay out of the danger zones in front of and behind windrow turners

Good housekeeping prevents accidents (slips, trips, and falls) and nuisance conditions

Always follow lock out/tag out procedures. No matter how quick or seemingly simple the task

**Following these rules will help keep you safe!**
