

Dear Potential Sponsor:

In preparation for the 2012 SWANA Conference, to be held March 27-29, we are looking for successful companies to partner with that provide the types of products and services useful to effective solid waste management practices. We see these qualities in your company, and we invite you to join the Oklahoma Indian Nations Chapter in our mission to advance the practice of environmentally and economically sound management of solid waste.

As a Conference Sponsor you will be part of an elite group committed to promoting the overall mission of SWANA. Please refer to the enclosed sponsorship information.

Through your sponsorship, you will gain access to a large target market. Sponsors will be acknowledged as the trusted and recommended expert in their industry through exposure on signage, websites, conference programs, etc.

We look forward to a partnership with you and your company. Our joint efforts will have a lasting impact on the governments and citizens we serve.

If you have any questions or I can be of further assistance do not hesitate to contact me or one of the Board Members on the enclosed list. Please note the deadline for participation is February 15, 2012.

Respectfully,

Sharon Swepston
